MC720-DA

The Best Technology & Construction in a Low-Cost Solution

Standard Change-Makers presents the MC700 Series Change Machines, a high security, low-cost changer solution. The MC700 Series combines Standard's heavy-duty cabinet design and component construction with our *Smart Hopper* technology. All this in a simple-function, low cost solution!

The heavy gauge steel and no visible hinges provide added security for coin laundries, car washes and other businesses concerned about their investment. Further, the MC720-DA has our exclusive **Dual Redundancy** feature - that provides built-in back-up.

MODULAR MC700 SERIES FEATURES:

Front & Rear Load Models

Bill Acceptor(s): Your choice of *Coinco*®, *Mars*®, *Cashcode*® or *Pyramid*® Bill Acceptors are available (MDB Only)

Bill Stacker Capacity: 500 Bills (Std) per Bill Acceptor
(1000 bill stackers available - for one acceptor only)

Hopper(s): Galvanized Steel Construction with Tilting Base for easy Hopper Dump operation, without disconnecting power

Hopper Capacity:

One Hopper Models: \$1,050 or 4,200 Quarters

Two Hopper Models: \$1,600 or 6,400 Quarters

Cabinet: Solid-welded Steel (no rivets or spot welds), hidden hinges and finished in high gloss Powder-Coat enamel

Graphics: Scratch-resistant Lexan™

Locks: T-Handle "Slam Locks" with Ace™ plugs (std)
(Crank Locks w/ Medeco™ Lock Plugs available)

Two Year Limited Warranty

- **MDB Serial Interface** provides more accurate communication between Hopper & Bill Acceptor
- **Switching Power Supply** generates less heat - which adds longer life and better performance
- **Programmable Smart Hopper** allows push-button functional programming without the need for a handheld device
- **Flash Code Error Display** - allows to you to troubleshoot problems quickly and easily
- **Easy to Service** - Easy access to the Control Board, and easy serviceability in the field
- **Motor Driven Hopper** - no need for belts or chains
- **Two Year Limited Warranty**
